FERMENTATION

80% Barrel

20% Stainless Steel

TASTING NOTES

Silver Stag Chardonnay is hand crafted from grapes grown on premiere vineyards in Napa Valley's cooler growing regions stretching from Oakville to Carneros. A light golden straw color greets you with fresh a bright bouquet of green apple, pear, tropical fruit and citrus. Crisp acidity and lush mouth feel combine to deliver rich flavors of apple, melon, spice, lemon, caramel, with light oak and vanilla notes. The finish is long, balanced, smooth and lingers on the palate. This wine is a perfect complement to fowl, seafood mild cheeses and light pasta dishes.
